

## Bond Issue

Voters supported the school district in 1987 by funding a 1.32 mill bond issue to improve schools as part of the districts master facilities plan. The district was paying over 7% interest on these bonds, they were called refinanced in 2002, saving the taxpayer's in the school district more than \$427,000. This bond issue was paid in full September, 2009. The district is debt free!
