

Preschool Attendance Policy

Hello Parents,

With the holidays coming up, I wanted to take the time to send out a friendly reminder about our attendance policy. Each child must have 85% attendance to remain in the program. This is a state policy. If your child is coming close to breaking the policy, we will notify you with a letter. Once it has dropped below 85%, you will be notified that your child is excluded from the program.

As you are planning trips and holiday activities, please keep this in mind, unless your child is sick, they should be at Preschool everyday.

Thank you for your cooperation,
Mrs. Shuman
