

NRHS School Supply List

This time of year, we are often asked about school supply lists for the high school. Due to the variety of styles and expectations of our teachers, there is no set supply list as different teachers request that students have different items. However, in order to provide helpful information as you prepare for next year here are some common items that we suggest:

- Spiral Notebooks
- 3-Ring Binders
- Paper for 3-Ring Binders
- Pens
- Pencils
- Hand Sanitizer
- Masks
- Refillable Water Bottle- Water Fountains cannot be used in a traditional manner but we will allow students to fill at filling stations.

Our teachers will be working to deliver instructional materials in a different way, and many will be making adjustments to how students submit work. This also makes creating a traditional school supply list a challenge, but we will do our best to get information to you about needs as we receive it. Thank you for your understanding.
