

## NRHS School Supply List

This time of year, we are often asked about school supply lists for the high school. Due to the variety of styles and expectations of our teachers, there is no set supply list as different teachers request that students have different items. However, in order to provide helpful information as you prepare for next year, here are some common items that we suggest:

- Spiral Notebooks
- 3-Ring Binders
- Paper for 3-Ring Binders
- Pens
- Pencils
- Hand Sanitizer
- Refillable water bottle - to refill at our water bottle stations

Our teachers will share their requirements on the first day of class and give students time to gather needed supplies. Most teachers advise their families to send students to school on the first day equipped with a folder and a pen/pencil.
